
JK GROUP & MS PRINTING SOLUTIONS ACTIVITIES UNTIL NEXT 27th MARCH 2020

MS Printing Solutions and JK Group inform all their customers that starting today March 16th, 2020, they will intensify all the measures to contrast the spread of the virus (Covid-19). In the two sites of Caronno Pertusella and Novedrate, staff attendance is reduced to the sole maintenance of the activities that guarantee production and logistics continuity.

All other activities, not strictly related to the production, will go ahead through smart working. Sales team, customer service and technical assistance remain at your disposal for any need or information you may need.

We also remind you that all our other offices, the distribution network and our agents are fully operative, always in full compliance with the government guidelines of each country.
